

Culminating Task Debriefing Questions

1. On a scale of 1 to 4, to what extent did your group share a common language and understanding of EQulP criteria as you reviewed this lesson? Why this rating?
2. Are there any criteria or evidence about which you disagreed? If so, did you disagree about what you considered evidence of a criterion, about whether the evidence was sufficient to meet a criterion, or about both?
3. What differences arose among your group members when checking criteria? How did you resolve those differences? What do you think caused these differences? Were there differences that remained unresolved? What were some of those unresolved differences?
4. Where in the review process did you experience the most difficulty or the greatest disagreements? What suggestions do you have regarding resolving differences among reviewers?
5. How did having collaborative discussions move individual group members or the group as a whole toward a decision?
